### oikos vision

economics and management education purposed for a sustainable world

### LEAP vision

leadership purposed for a sustainable world

### oikos mission

transform economics and management education by empowering student change agents, raising awareness for sustainability challenges and opportunities and building institutional support for curriculum reform

### LEAP mission

empowering student change agents to become conscious leaders in the co-creation of thriving, sustainable societies.

## what it means for YOU?

### support leadership development for students

Your donation directly supports a young leader in their journey of becoming a conscious change agent! It will contribute to secure the initiative for future student generations. Typical costs we have include our managers' salaries and onsite event costs.

### experience the LEAP yourself

Our offers gives us a chance to give back to our financial supporters with the knowledge & experience we have accumulated over the past 8 years. Through donating, you benefit from a unique personal development experience provided by us.
